

Aug. 27, 2009

Dear colleagues and overseas partners,

This is to alert you again that carriers are getting greedy and hungry to increase their revenue after their last success of General Rate Increase.

Now we receive notices from all major carriers about their unanimous action of applying the Peak Season Surcharge. The attached two notices are from OOCL & EMC for examples.

As usual, our pricing teams in both Taiwan and Hongkong will try all our bests to fight with our contracted carriers to minimise the quantum to keep all of us competitive.

We will keep you well informed once we complete negotiation with carriers.

Best Regards,

Jonathan Tseng
